CO-CURRICULAR ACTIVITIES (CCAs)

Dear Parents, Guardians and Learners,

There are two phases for CCA sign-ups. The first phase will allow learners (or parents of children from Kindergarten to Year 4) to select up to 5 CCAs in order of preference. Please select CCAs that your child will commit to for the whole season. The system will then randomly allocate places. **There is no advantage to selecting early in this process.**

Due to the length of the school day CCAs are not available for Nursery learners.

Kindergarten learners will only be assigned one CCA per week.

Year 1 will be allocated up to 2 CCAs (1 CCA, 1 paid CCA).

All learners from Year 2 will be assigned up to a maximum of 4 CCAs, (2 CCAs, 2 paid CCAs) depending on the popularity of the CCAs.

Key Dates & Times

Phase 1 will open at 9.00am on 18 November 2016 and will remain open for FOUR DAYS, closing on 22 November 2016 at 9.00am. Once the initial allocations have been made CHQ will re-open at 6.00pm on the 22nd and close again on 24 November at 9.00am. This is when all remaining CCA places will be allocated. Season Two runs from 28 November 2016 to 11 February 2017 (8 weeks).

Participation In CCA Sessions & Events

Please take time to read over the various activities on offer and discuss with your child which CCAs they would like to commit to. We strongly encourage every learner to commit to at least one CCA each season and also to take part in at least one voluntary event a year.

CCAs run over three seasons to match the ACSIS sports seasons, but do not run during school or public holidays.

If you wish to continue a CCA from Season One that is part of an ongoing course such as Karate, Taekwondo, Ballet, Piano Intermediate and Race Car Engineering Intermediate, you must select this CCA as one of your choices and a higher priority will be given to you.

Additional Lunch-Time & After-School Activities

<p>Secondary School Production Rehearsals Little Shop of Horrors</p> <p>Cast members, including the chorus, should be aware that rehearsals take place on a Tuesday from 3.30pm - 5.00pm. All payments should be made to the School Cashier. Please note that all CCA payments should be completed by 9 December 2016 (end of week 2 of CCAs). If your child attends their CCA at any point after week two and you have failed to pay, then you will be billed for the whole season. Learners will only be able to attend their CCA in week 3 if any payment required for their activity has been made in full.

Please be aware that if your child is absent or a paid CCA is cancelled by the school due to unforeseen circumstances e.g. haze or adverse weather, there will be no 'make-up' class or reimbursement. This also applies to school trips and camps.

ACSIS SPORT PROGRAMME SEASON TWO

Nexus International School (Singapore) is a member school of Athletic Conference of Singapore International Schools (ACSIS). ACSIS provides learners with an opportunity to compete in an inter-school athletic programme. The academic year is divided into three sporting seasons. Each season offers different sports across various age categories in which our learners may participate. Sports offered each season, all results, divisions, member schools, age categories, sport rules and additional information can be found on the ACSIS website www.acsis.com.sg.

Learners should be present at the dedicated location at the appropriate date/time according to the schedule for trainings.

Due to the nature of ACSIS Season Two fixtures this academic year, training sessions for sport teams will begin two weeks prior to the School CCA season to prepare teams for the upcoming season and to determine match schedule so parents can make accurate CCA choices. ACSIS Season Two sport team training sessions began week of Monday, 7 November and will follow the schedule presented below. These days and times will then become the regular training days for these teams.

Please keep in mind when making other CCA choices that our ACSIS Season Two Sport teams will also have fixtures/matches that will also need to be taken into consideration when making your selections. Team will receive schedule during the week Monday, 14 November through Friday, 18 November.

All learners who sign up for a sport team will be given the opportunity to train with the squad on the regular training day. However, if numbers are large, team selection for fixtures will be done on a weekly basis. Fixtures for ACSIS Season Two will begin for some teams from the week beginning Monday, 21 November.

How To Get Involved?

There are no trials for sports teams and we encourage all learners to go along to training and try new sports, but please be aware of the age restrictions for each team. Sport administrators will manually upload learners names onto the CHQ portal.

MOTHER TONGUE

Nexus is an international school in the true sense of the world and currently our learners come from 52 different countries! We are aware of at least 24 different languages spoken as a first or home language by our learners. Whilst English is our common language and all learn a new language as part of our programme, we must not underestimate the importance of our mother tongue or home language(s) which are form part of our self identity.

Our programme aims to engage learners and to give them an opportunity to maintain and practise their skills in their Mother Tongue together with other speakers of that language of a similar age. However, a home language cannot just be cultivated through a weekly or twice weekly lesson. The family has the greatest influence on the development of a child's mother tongue.

Our CCA Mother Tongue Programme in 2016-2017

We currently offer provision in these additional languages for learners in the following year groups:

Language	Open to	Day(s) and time	Fee
German	Years 2 - 8	Tuesdays 3.25pm - 4.25pm	\$30/hour
Japanese	Years 5 - 9	Mondays 3.25pm - 4.25pm	\$30/hour
Japanese	Years 1 - 4	Tuesdays 3.25pm - 4.25pm	\$30/hour
Russian	Years 1 - 6	Tuesdays 3.25pm - 4.25pm	\$30/hour
Spanish	Years 4 - 8	Thursdays 3.25pm - 4.25pm	\$30/hour

Please contact: mothertongue@nexus.edu.sg
For a link to the registration form to register for any of the above language courses.

Please note that there is no Mother Tongue class during the first week of each term.

The following operate at Nexus but are not managed or taught by Nexus employees:

Dutch (Wednesdays after school)

Provided by Language One

For more details or information, please contact:

Krista Sijbers - krista.sijbers@languageone.nl

Norwegian (Thursdays after school)

Provided by Norwegian Supplementary School Singapore

For more details or information, please contact:

Silje Merli - silje@norwegiansupplementaryschoolsingapore.com

If you would like your son or daughter to be involved in our programme, please make contact as indicated above. We regularly contact parents to gauge their interest with a view to offering other languages and if there is enough interest and we can recruit a suitably experienced teacher we will set up classes in this language.

Alternatively, to express your interest, please complete this [short form](#).

ROCK and POP BANDS (Learner-led)

You can sign up your band as a CCA. If you and your friends would like to be in a band, discuss this with your Music teacher and decide on a regular, weekly rehearsal time. Secondary bands will be self-directed during rehearsals, and you may also have a teacher to be your mentor. Primary (and Secondary) learners can arrange a band tutor through the group tuition programme provided by Aureus Academy (paid directly to Aureus). Bands will be given the opportunity to perform at concerts and events.
