From emerging talents to experienced musicians, instrumental lessons are available for Kindergarten through to Year 13. They are primarily conducted during school hours, although other timings can be requested for IGCSE and IBDP learners. Lessons are usually scheduled on a fixed day with a rotating timetable to ensure that learners do not consistently miss the same class or school activity.

Whether you want to work towards graded examinations, prepare for IGCSE/IB performances or learn for enjoyment, our teachers are able to support your needs.

NEXUS INSTRUMENTAL PROGRAMME

As parents, learners and educators, we are all in agreement about the immense impact learning an instrument has on cognitive development, social interaction and simply enjoying life! Music at Nexus is dedicated to offering opportunities for learners to participate and achieve their potential through our music programme.

The four core elements of musical development for learners are:

- Classroom music curriculum
- Private Instrumental lessons
- Participation in one or more CCA ensemble groups
- Concerts, performances and community participation opportunities

Our instrumental lessons are offered through Aureus Academy, whose tutors are all highly experienced, qualified musicians and teachers. You can find more information about the Aureus programme on the inside of this brochure.
