

Grade 5 Newsletter

15 March 2013

Exhibition 2013

We would like to congratulate all of the Grade 5 learners on an absolutely amazing 2013 Exhibition. I am sure that you will all agree that the dedication, enthusiasm, collaboration and inquiry profiles that the learners have exhibited throughout Term 3 have been of a very high standard. We are very proud of them and all their efforts.

A big thank you goes to all our parents and guardians who have supported the Exhibition from the initial stages through to working on exhibition projects at home together and coming in to school to assist with displays, presentations and the delicious bake sale.

It has been an incredible learning journey for children, staff and parents. With input, guidance and mentorship from multiple sources (including Skyping with learners from New Zealand and a multiple hurricane survivor from the Turks and Caicos Islands in the Bahamas, as well as guest speakers who talked of the floods in Fiji, the Christchurch New Zealand earthquake and a Canadian bushfire), it has truly been a team effort on a global scale. We rejoice in what has been achieved both collaboratively and as individual learners. The contribution by the multi-talented staff members from all departments at Nexus has made this Exhibition a great success. I am sure the visitors from other schools will agree that we have a very skilled and dedicated academic team, very knowledgeable, open-minded and balanced learners and a supportive, generous parent community.

We wish you a very restful, safe and enjoyable holiday break starting on Monday 18th March. We are certain our learners will appreciate a rest after all their hard work. We look forward to another incredible final term of learning in April.

Thank you again for all your assistance and support.

Reminders

1 April

12 April

21-23 May

PE sessions

Term 4 commences

Grade 4 assembly
