FEE PROTECTION SCHEME

With the introduction of the Private Education Act in December 2009, all students' fees must be insured under the Fee Protection Scheme (FPS). The FPS serves to protect student's fees in the event that a Private Education Institute (PEI) is unable to continue operations due to insolvency and/or regulatory closure. In addition, the FPS protects the student if the PEI fails to pay penalties or to return fees to students arising from judgments made against it by the Singapore Courts.

Nexus International School (Singapore) has implemented the FPS Insurance as its FPS for all students and will purchase and pay for the FPS insurance on students' behalf. The FPS insurance provider appointed is Lonpac Insurance Bhd and a copy of the master insurance certificate can be downloaded from the Nexus International School (Singapore)'s website. The insurance coverage will be for the tuition fees, development levy, examination fee (if applicable) and Intensive English Support fee (if applicable). Insurance coverage is not required for the GST portion of fees billed. The application fee, registration fee and most miscellaneous fees (non-compulsory and non standard fee paid only when necessary or where applicable) are not subject to FPS.

MEDICAL INSURANCE

The tuition fees include the Group Hospital and Surgical insurance throughout the entire course. The coverage is as follows:

- S\$20,000 per student per disability;
- B1 ward (in government and restructured hospitals); and
- 24 hours coverage in Singapore and overseas (if student is involved in school-related activities.)

Information on the medical insurance can be downloaded from the Nexus International School (Singapore)'s website.

STUDENT CONTRACT

It is a legal requirement that a Student Contract is signed. This contract is a critical document that helps to minimise future disputes. It is essential that it is completely understood by the student (parents/legal guardians in the case of a student who is younger than 18 years) prior to enrolment.

Nexus International School (Singapore) will execute the Student Contract after a place has been offered and that place has been accepted by the student (parents / guardians where a student is younger than 18 years). The Student Contract indicates the detailed breakdown of total fees payable by the student together with a payment schedule that indicates the exact date payments are due. The Student Contract must be duly signed before any fee payment can be accepted by Nexus International School (Singapore).

A sample of the student contract can be downloaded from the Nexus International School (Singapore)'s website and any queries regarding the student contract can be directed to admissions@nexus.edu.sg
